Dear Sir/Madam,

Greetings of the Day!

Attached is the Timetable guidelines which needs to be followed for the online mode of Odd Semester for the AY 2020 -2021 and faculty selection for video lecture recording ( Refer Excel file for more details).

HoDs are requested to instruct the timetable coordinators to allocate lead faculties for the courses and assign students under each batch. The details of lead faculties and students batch details should be forwarded to the Time table coordinators with a copy marked to Dr. Vinohar Stephen Rapheal on or before Thursday, 20<sup>th</sup> August 2020 by 4:30 PM.

The details are to be configured in the CAMU by the department Timetable coordinators such that the DTS team will use the same configurations for forming MS Teams batches. This activity must be completed before the foundation week for cycle I courses.

Thanks & Regards,

Even sem Slot Configuration.xlsx; 6.1.21 1st Yr BE-ME Academic Calendars.pdf;

Dear Professor

Greetings,

Even Semester for the Academic year 2020 - 21 starts from **1st March 2021**. This even semester will be offered in the online mode with 2 cycles. In this regard, Timetable coordinators are requested to complete the Course mapping, Course offering, Staff planning and Timetable creation process. Also, I have shared a template for Cycle I Timetable along with this mail.

Student enrollment scheduled on 22nd Feb 2021 please refer to the timeline for online student enrollment.

1. **22nd Feb 2021 - 9:00 am to 12:00 noon - All second year courses (except Second year ECE)**
2. **22nd Feb 2021 - 12:30 pm to 5: 30 pm - All third year courses & Second year ECE (Second year ECE having open elective courses)**

Students who are not enrolled in the above slot will be enrolled by Timetable coordinators based on the available vacancy positions including open elective courses (staff and course choice will not be available).

Course distribution in the Cycle I

1. Include open elective, mandatory non credit, laboratory only courses and Embedded courses in the Cycle I.
2. Open elective courses will be offered in the place of S2 (Theory course - all are scheduled at 4th hour from Monday to Thursday)
3. Analytical and important core papers to be shifted to cycle II of Even sem AY 2020 - 21.
4. Ensure that all the courses listed in the curriculum are either included in the Cycle I or Cycle II.
5. Do not configure the courses in the common hours like Mentor and project hour UG & PG
6. **Two hours per week is assigned for the faculty training program; do not schedule the courses in that hour too.**
7. In the template you can accommodate 3 regular theory courses, 6 Winter track courses, 3 laboratory courses along with one mandatory non credit course.

PRINCIPAL  
Kumaraguru College of Technolo  
Coimbatore - 641 049.

8. PG Cycle II starts from 22nd Feb 2021 onwards. PG program offering departments to complete the Timetable and manual enrollment before 20th Feb 2021.

9. Timetable coordinators requested to convey the online enrollment details to the students through class advisors and mentors.

10. Timetable coordinators are requested to update the Timetable configuration progress in [this link](#).

It will be helpful to locate and rectify enrollment issues. Kindly do the needful.

Thank you

with regards

--
